

**RUAG Aviation**

Vorname Nachname, Klasse  
08.08.2020

## Student Feedback

- Check criteria grid.
- Use 8 slides only.
- Include all technical requirements (transitions, diagram, animation).
- Define 3–4 layouts in your Slide Master (Title Slide).
- Avoid MS Word Templates or Company Templates.
- Add the same picture borders and effects to your images.
- Don't place text boxes on your slides (reset changes all).
- Use fonts across your presentation (titles, text, charts, diagrams).
- Employ the corporate identity of your company (look and feel).
- Be creative and show some extra effort.
